

Re: Connect ISP Limited Reference

Dear Michael

Further to our recent conversation, this is to confirm that Connect ISP Limited provided a quality, fully managed Fibre Optic Internet Services, installed and delivered to the exact installation date for the project to go live at St Martin's Lane in Auckland.

Connect ISP did all Project Management and consultancy service to ensure a seamless installation.

We would recommend Connect ISP Ltd services to any Corporate Business, large Body Corporate & Long or Short stay Tenanted Buildings or Hotels.

On Behalf of Icon Central Limited,

Mike Gibbon
